To seek out the light of  
knowledge, thou must  
descend the depths of  
darkness. Know these  
three truths, lest thou  
face an eternity of  
madness.

East of the swamps and  
south of the jungles,  
Nestled deep within the  
heart of the mountains,  
The deceitful heart holds  
no place here.

When all seems lost,  
stand thine ground  
And let the walls of  
reality dissolve from  
sight.
